## ABOUT

Avery excitedly joined Hanna Brophy in 2021. Avery had the opportunity to observe her father as a Worker's Compensation Defense Attorney as she grew up. Based on that observation, she knew that she wanted to be an attorney from a very young age. In addition, Avery was previously employed as a file clerk with Hanna Brophy during law school.

Avery graduated from Cal Northern School of Law in Chico, CA. Based her previous employment, Avery gained valuable experience in customer service, meeting deadlines and keeping her client's informed on progress, all of which she will implement to best serve both the attorneys and clients of Hanna Brophy.
